⚠ WARNING

CAUTION

CAUTION, used without the safety alert symbol, indicates a hazardous situation which, if not avoided, could result in harm to your pet.

⚠ WARNING

- To avoid distractions while driving, please read all instructions thoroughly and ensure the Hammock Car Seat Cover is correctly installed and your pet is settled before operating your vehicle.
- A harness is recommended rather than a collar for safely securing pets in your vehicle. Collars are not suitable for automotive restraint and could allow the pet to launch into the cabin of a vehicle during quick stops or collision.
- If your pet is a chewer, check periodically so make sure the Hammock Car Seat Cover has not been damaged by your pet. Replace cover if damaged.

CAUTION

- It is recommended that the Hammock Car Seat Cover should be used in the back seat of the vehicle for better safety to your pet.
- Never leave pets unattended in the Hammock Car Seat Cover. Do not ever leave your pet in a car in the sun or in warm weather. This can very quickly lead to heat stroke or other life-threatening situations.
- Premier Pet™ Brand is not responsible for injuries suffered by pets as a result of improper adjustment of straps or vehicle accidents.

What's Included

Hammock Car Seat Cover

How It Works

The Premier Pet™ Hammock Car Seat Covers quickly and inexpensively keep your car seats safe from mud, fur, or your pet's nails. The seat covers work in any vehicle with headrests, and they're durable and machine-washable. The Hammock Car Seat Cover creates a comfortable nook for your pet in the backseat, and has 2 pockets located in a convenient, easy to reach area. Seat belts are held neatly and securely in the seat belt keepers. A Premier Pet Seat Cover is a great and economical way to keep your vehicle clean and undamaged.

Installation

Important: Always make sure the vehicle seat is dry before installing the seat cover.

The cover is held in place at the top by four adjustable straps which go around the back seat headrests. Lay the cover in place on the rear seat, loop the straps over the headrests and adjust the strap length for best fit.

Seat belt slits: The cover also includes two slits which allow seat belt buckles to pass through. These slits are oversized to fit most vehicle configurations.

Cleaning

Promptly wipe up any foreign matter or standing liquid with a damp cloth or sponge. Machine wash the cover on cold/gentle cycle with mild detergent. Line dry.
